

GREENE COUNTY E.D.C.

ECONOMIC DEVELOPMENT CORPORATION

Federal regulations require all applicants for Federal grants (including economic development loans) and cooperative agreements to obtain a DUNS number. The DUNS number is free, and is obtained in cooperation with Dun and Bradstreet, the national credit-reporting agency for commercial accounts. The Federal government requires the DUNS number to better identify related organizations that are receiving funding under grants and cooperative agreements, and to provide consistent name and address data for electronic grant application systems.

To obtain a DUNS number on-line, go to <http://www.dnb.com/us/>. On the left side of the page, near the bottom, you will see a heading for **D&B Resources**, and under that a “clickable” **Get a D&B D-U-N-S #**. Click on that and follow instructions. You can also call a toll free number to get your DUNS #: 1-866-705-5711. Tell them that you are a federal grant applicant (or prospective federal grant applicant), and they will lead you through the process over the phone to provide you a DUNS number.

As soon as you have your DUNS number, please mail, email, fax or call it into our office for processing.
